We were all wired with a longing to love and be loved. God set the high watermark when He gave His only Son so that we might be restored to Him in loving fellowship. He longs to be with us, and like the prodigal son's father, He runs to meet us when we come to Him broken and wounded (Luke 15:20). It is because we have experienced the lavish love of God that we are able to sacrificially love one another. Like the old hymn says, "Love so amazing, so divine; demands my soul, my life, my all."
